This permit becomes null and void if authorized work or construction has not begun within six months, or if construction or work is suspended or abandoned for a period of six months, at any time, once work is started.

I hereby certify that I have read and examined this document and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied whether specified here in or not. Granting a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction.
